COAST GUARD EMPLOYEES CREDIT UNION

Volunteer Application (Continuation)

Board of Directors Responsibilities:

- Work with the chief executive officer and the board to develop objectives and goals for the credit union, including strategic plans.
- Make sure the credit union adheres to pertinent laws, regulations, by-laws, policies and sound business practices.
- Make sure the credit union maintains sound financial conditions and that the credit union's assets are protected against unauthorized or illegal acts. Designate depositories, authorize borrowing and investing, and provide for bonding and other security factors, including internal control policies and procedures. Approve interest rates, dividends, and refunds, or approve policies to guide management in doing so. Approve loan limits and savings minimums.
- Develop personnel policies, or make sure they are developed, and then approve them for all credit union programs and activities. Review policies and bylaws at least once a year and update as necessary.
- Make sure new products and services are developed as needed.
- Approve the credit union budget.
- Define the scope of the chief executive officer's job, hire someone to fill the position, and review his or her progress in attaining goals and objectives
- Attend board meetings, exercise judgment independently from the chief executive officer and report to the members at the annual meeting.

Supervisor Committee Responsibilities

- Make audits, or cause them to be made, as required by government agencies. Prepare and submit the necessary forms to regulators. Conduct or order supplementary audits as the committee decides are necessary.
- Inspect the securities, cash, and accounts of the credit union. Scrutinize the acts of all officer, committees, and employees of the credit union to determine compliance with policies and regulations.
- Conduct or order a verification of the loan and share accounts of the members, in accordance with credit union policy and regulatory requirements.
- Review the minutes of board and committee meetings
- Make sure there are adequate internal controls, and that they are being followed.
- Recalculate the expected interest income from loans and investments and the expected interest paid on member deposits to determine whether records are reasonable.
- Suspend any director, committee member or employee if necessary in accordance with state and federal regulations.
- Prepare and make available a report to members of past year activities to be read at the annual meeting.

Credit Committee Responsibilities

- Review processed loan applications based on current credit union policies established by the BOD.
- Make underwriting decisions based on the capacity to make payments, collateral security, conditions of loan request, and character of the borrower.
- Review all reject loan applications by a loan officer.
- Familiar with current regulations concerning all relevant federal and state lending practices.
- Review the credit union lending performance annually and provide recommendations for changes to BOD.
- Review the credit union lending policies annually and provide recommendations for changes to BOD.
- Prepare and make available a report to members of past year lending activities to be read at the annual meeting.
- Promote the wise use of credit amount the membership.
