

COAST GUARD EMPLOYEES CREDIT UNION

Membership Application (Continuation)

Terms and Conditions

- I understand that **\$25.00** minimum must be kept in my account at all times to remain an active member. Further, if I should ever fall below the minimum balance that I must pay the difference within thirty (30) days or my account will be closed and I will have to reestablish membership with the credit union.
- Any person who signs this agreement may deposit or withdraw any amount in the accounts. A withdrawal of funds terminates the rights of the other owners to the amount withdrawn. Should the primary owner of the account die, the joint owner will retain all legal rights to the funds in accordance with current laws and regulations.
- I understand that the credit union's policy and the law permit the credit union to delay the deposit of non-cash items into my account until sufficient time has expired for such items to clear properly.
- I authorize the credit union to make internal transfers between accounts, or to disburse funds out of my accounts by credit union check made payable to me only, on my telephone request or via home banking. This is continuing authorization to open any other account and deposit funds for me on my verbal request.
- I understand that in the event I become delinquent on any loan payments that my share savings will be frozen and that any funds above the minimum deposit required will be applied to the outstanding debt

I acknowledge the above terms and conditions by my signature below:
