

Dear Members,

We're excited to share that Coast Guard Employees Credit Union offers a secure, easy-to-use Debit Card exclusively for our Checking Account holders! If you haven't added a debit card to your account yet, now is a perfect time to enjoy faster transactions, better control of your spending, and a safer way to access your money whether you're on duty, at home, or on the go.

### Why Choose the C.G.E.C.U. Debit Card?

- Stay in control of your budget

Each purchase updates your account instantly, helping you track spending in real time through online and mobile banking. It's an easy way to avoid overspending and manage your finances confidently.

- Widely accepted

Use your debit card anywhere major cards are accepted, whether you're shopping in stores, online, or while traveling. It provides a quick, cash-free, hassle-free payment experience.

- 24/7 access to your cash

Your card also works at ATMs, giving you round-the-clock access to funds whenever you need them. Many ATM networks allow you to withdraw cash with minimal or no fees.

- Strong security protection

Our debit cards come equipped with chip technology, PIN protection, and real-time fraud monitoring. If your card is ever misplaced, you can instantly lock it through our mobile banking tools.

- Lower costs

Unlike many credit cards, debit cards generally avoid annual fees and help you spend only the money you have making them a smart, low-risk option for everyday purchases.
